## **50TC901250 – Taper and Reverse Taper Bore Couplers**

**SKU:** 50TC901250

## **Description**

Hydrasearch manufactures a full line of transmission couplers for most marine transmissions. Our couplers are
cast from ductile iron and machined to SAE J755 specifications. Most of our couplers are machined with our
universal bolthole pattern and are supplied with mounting hardware. We also offer custom machining for any
couplers we do not standardly produce. We carry an extensive inventory in order to better supply our distributor's
and OEM's demands.
